Ecostat

Econazole & Triamcinolone Cream

Composition :
Ecostat Cream: Each gram cream contains Econazole Nitrate BP 10 mg and Triamcinolone Acetonide BP 1 mg.

Pharmacology :
Ecostat cream showed broad spectrum anti-mycotic, anti-inflammatory, anti-pruritic and anti-allergic effects. This cream is composed of Econazole Nitrate a powerful antifungal and Triamcinolone Acetonide to enforce its antimicrobial effect and the effect of reducing inflammations. It provides remarkable effects on mixed infections of gram-positive bacteria and fungus, eczema and recurrent inflammations. It also shows special effects on bacterial inflammations of skin folds.
Econazole is only slightly absorbed from the skin but Triamcinolone Acetonide is well absorbed from sites of local application.

Indications :
It is indicated for the treatment of steroid-responsive inflammatory dermatoses with econazole-sensitive mycotic and/or bacterial superinfections like -

- Eczematous mycosis
- Eczema marginatum
- Herpes circinatum
- Folliculitis trichophytica
- Mycosis barbae
- Onychomycoses

Dosage and Application :
Topical uses only.
Adults: Apply twice daily to the affected area and rub on the skin gently with the finger. Continue the applications for 14 days or as directed by the doctor.
Children: Suitable for topical application to children.

Contraindications :
Not to be used in the treatment of tuberculous lesions and viral diseases of the skin (herpes, vaccinia, varicella).

Side Effects :
Transient local mild irritation, itching & redness may occur immediately after application.

Precautions :
Hypersensitivity has rarely been recorded. If it occurs, application of the product should be discontinued. The infected area should be kept clean and dry during treatment.

Use in pregnancy & lactation :
Only recommended when application is clearly needed in pregnancy and lactation.

Storage :
Store in cool and dry place, away from light. Keep out of the reach of children.

Packing :
Ecostat Cream: Lamitube containing 10 g cream.

Manufactured by:

Sharif Pharmaceuticals Ltd
Rupganj, Narayanganj, Bangladesh.
